1. License Grant.

- 1.1 Software, Documentation and Specifications License Grant. InMon hereby grants to Licensee, under all of InMon's Intellectual Property Rights therein, a perpetual (subject to InMon's termination rights under Section 7 below), nonexclusive, royalty-free, worldwide, transferable, sublicensable license, to: (i) use and reproduce the Software, the Documentation, and the Specifications; (ii) modify the Software; (iii) implement the Specifications in the Products; (iv) install the Software, or software in which the Specifications have been implemented, on Licensee Hardware and Products, and (v) distribute any Products that include the Software, the Documentation, or software in which the Specifications have been implemented.
- 1.2 Trademark License. InMon hereby grants to Licensee a perpetual (subject to InMon's termination rights under Section 7 below), nonexclusive, royalty-free, worldwide, transferable, sublicensable license to use the Trademark on or in connection with the Software, the Documentation, the Specifications and any software that implements the Specifications.
- 1.3 Restrictions. Licensee agrees that it will not use the Software in a way inconsistent with the license granted in Section 2.1. Further, Licensee agrees that, in exercising its rights under the license granted to it in this Agreement, Licensee will: (i) strictly adhere to and fully comply with the Specifications; (ii) use the

Trademark, and no other mark, to identify the Software, the Documentation, the Specifications and any Products that implement the Specifications; (iii) place, in a font or graphic design designated by InMon, the phrase "sFlow(R)" on any technical documentation, sales/marketing materials, catalogs, or other such materials relating to products it manufactures or markets which it has configured to be compatible with the Software or otherwise implement the Specifications; (iv) in connection with any Products shipped to or sold in other countries that include the Software or any software that implements the Specifications, comply with the patent and trademark laws and practice of such other country; and (v) not alter or impair any acknowledgment of copyright or trademark rights of InMon that may appear in or on the Software, the Documentation or the Specifications. In the event InMon determines that Licensee is not complying with its obligations under clauses (i)-(v) above, InMon shall notify Licensee of such non-compliance, and if Licensee fails to correct such non-compliance within three (3) months, InMon may immediately terminate this Agreement as provided under paragraph 7 below and pursue any and all actions and remedies as it deems necessary, including, but not limited to breach of contract.

2. **Ownership.** Except for the license expressly granted in Section 2, Inmon hereby retains all right, title, and interest in and to the Trademark and all its Intellectual Property Rights in the Software, the Documentation and the Specifications. Licensee obtains no rights hereunder in the Trademark, Software, Documentation or Specifications by implication, estoppel or otherwise. Licensee acknowledges that the Trademark, Software, Documentation and Specifications are being licensed and not sold under this Agreement, and that this Agreement does not transfer title in the Trademark, Software, Documentation or Specifications, or any copy thereof, to Licensee.
3. **Support.** Inmon shall have no obligation under this Agreement to (a) supply maintenance or support, bug fixes or error corrections to the Licensed Software, (b) supply future versions of the Licensed Software or (c) provide Licensed Software development tools to Licensee.
4. **Warranty.** INMON HEREBY DISCLAIMS ALL WARRANTIES, EITHER EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO THE TRADEMARK, THE SOFTWARE, THE DOCUMENTATION, THE SPECIFICATIONS. OR OTHERWISE, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS.
5. **Limitation of Liability.** IN NO EVENT SHALL INMON OR ITS SUPPLIERS OR LICENSORS BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, INDIRECT OR EXEMPLARY DAMAGES WHATSOEVER, WHETHER RELATED TO OR ARISING OUT OF THIS AGREEMENT, THE TRADEMARK, THE SOFTWARE, THE DOCUMENTATION, THE SPECIFICATIONS, OR OTHERWISE, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, LOSS OF DATA, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES OR FOR ANY CLAIM OR DEMAND AGAINST LICENSEE BY ANY OTHER PARTY, OR OTHER PECUNIARY LOSS, EVEN IF INMON HAS BEEN ADVISED OF OR KNOWS OF THE POSSIBILITY OF SUCH DAMAGES.
6. **Term and Termination.** The term of this Agreement will begin on the Effective Date, which shall be deemed to be the date of delivery of the Software and/or Documentation and/or Specifications to Licensee, and shall continue indefinitely unless and until terminated by Licensee's giving written notice of termination to InMon,

or by InMon pursuant to InMon's termination rights as set forth in Section 2.3 above. Upon any termination of this Agreement, Licensee shall cease exercising its license rights under this Agreement, including the right to distribute Products that incorporate the Software or Documentation or that implement the Specifications. The rights and obligations contained in Sections 1, 3, 5, 6, 7, and 8 shall survive any termination of this Agreement.

7. General Provisions.

- 7.1 Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their permitted successors and permitted assigns. InMon will have the right to assign this Agreement without notice to Licensee. Licensee may assign or transfer (whether by merger, operation of law or in any other manner) any of its rights or delegate any of its obligations hereunder without the prior written consent of InMon, provided the assignee assumes in writing all of Licensee's obligations hereunder.
- 7.2 Notices. All notices permitted or required under this Agreement shall be in writing and shall be delivered in person or mailed by first class, registered or certified mail, postage prepaid, to the address of the party specified in this Agreement or such other address as either party may specify in writing. Such notice shall be deemed to have been given upon receipt.
- 7.3 Non-Waiver. No term or provision hereof shall be deemed waived, and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent or waiver, whether express or implied, shall not constitute a consent or waiver of, or excuse for any separate, different or subsequent breach.
- 7.4 Independent Contractor. The parties' relationship shall be solely that of independent contractors, and nothing contained in this Agreement shall be construed to make either party an agent, partner, representative or principal of the other for any purpose.
- 7.5 Choice of Law and Forum. This Agreement shall be governed by and construed under the laws of the State of California, without giving effect to such state's conflict of laws principles. The parties hereby submit to the personal jurisdiction of, and agree that any legal proceeding with respect to or arising under this Agreement shall be brought in, the United States District Court for the Northern District of California or the state courts of the State of California for the County of San Francisco.
- 7.6 U.S. Government Licenses. The Software and Documentation are considered a "commercial item" as that term is defined at 48 C.F.R. 2.101, or "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 of the Federal Acquisition Regulations and its successors, and 48 C.F.R. 227.7202 of the DoD FAR Supplement and its successors.
- 7.7 Severability. If any provision of this Agreement is held to be unenforceable under applicable law, then such provision shall be excluded from this Agreement and the balance of this Agreement shall be interpreted as if such provision were so excluded and shall be enforceable in accordance with its terms. The court in its discretion may substitute for the excluded provision an enforceable provision which in economic substance reasonably approximates the excluded provision.

7.8 Compliance With Law. Licensee shall comply with all applicable laws and regulations (including privacy laws and regulations) having application to or governing its use and/or operation of the Software and agrees to indemnify and hold InMon harmless from and against any claims, damages, losses or obligations suffered or incurred by InMon arising from its failure to so comply.

7.9 Entire Agreement; Amendment. This Agreement constitutes the final, complete and entire agreement between the parties with respect to the subject matter hereof, and supersedes any previous proposals, negotiations, agreements, or arrangements, whether verbal or written, made between the parties with respect to such subject matter. This Agreement shall control over any additional or conflicting terms in any of Licensee's purchase orders or other business forms. This Agreement may only be amended or modified by mutual agreement of authorized representatives of the parties in writing.
